Evaluation of submitted applications for one (1) Scientific Associate (Call for Expression of Interest: Grapes_o82023)

The Evaluation Committee received the following applications:

SUBMITTED APPLICATIONS				
Code of job vacancy	S/N	APPLICATION	Protocol Number	Candidacy file
lmsi.1	1	APPLICATION 1	16557/2023_14.08.2023	VALID
lmsi.1	2	APPLICATION 2	16595/2023_17.08.2023	NOT VALID (INCOMPLETE: Application with reference to the "Code of job vacancy" and a completed master's degree certificate were not submitted)
lmsi.1	3	APPLICATION 3	18286/2023_13.09.2023	VALID

After reviewing the supporting documents (CV, certificates, etc.), the Committee proceeded with the evaluation of the two (2) valid applications that meet all the required qualifications of the call, as bellow:

ACCEPTED APPLICATIONS			
S/N	Code of job vacancy	APPLICATION	Total Grade
1	lmsi.1	APPLICATION 3	70 points
2	lmsi.1	APPLICATION 1	45 points

The above was approved by the "Athena RC" Board in 28/09/2023.

The candidates have the right:

- within a period of 5 calendar days from the day after the results are announced to submit an objection on their evaluation via a written statement towards "Athena RC",
- of access to the applications and the evaluation sheets of the rest candidates via a written statement to "Athena RC" which should be submitted within 5 calendar days from the day after the results are announced and under the condition of compliance to the document No Γ/ΕΞ/4163-1/6.7.2012 of the Hellenic Data Protection Authority.

In the event that the above deadline expires, the results shall be finalised and the contract shall be signed without any further procedure.

Athens 29/09/2023

Minos Garofalakis
