After reviewing the supporting documents (CV, certificates, etc.), the Committee proceeded with the evaluation of the following three (3) valid candidacies that meet all the required qualifications of the call for Expression of Interest:

Accepted Candidacies			
S/N	Code of Job Vacancy	Candidacies	Total Grade
1	Imsi.1	CANDIDACY 1	80 points
2	Imsi.1	CANDIDACY 3	70 points
3	Imsi.1	CANDIDACY 2	50 points

**Candidacy No 4 does not meet all the required qualifications as explained in the table below:**

Not Accepted Candidacy			
Code of Job Vacancy	S/N	Candidacy	Brief Justification for Rejection of Candidacy
Imsi.1	1	CANDIDACY 4	It does not meet the required qualification: -Master's degree in Computer Science, or Engineering (or an equivalent diploma allowing them to pursue a PhD)

The above was approved by the "Athena RC" Board in 28/08/2025.

The candidates have the right:

- within a period of 5 calendar days from the day after the results are announced to submit an objection on their evaluation via a written statement towards "Athena RC",

• of access to the applications and the evaluation sheets of the rest candidates via a written statement to "Athena RC" which should be submitted within 5 calendar days from the day after the results are announced and under the condition of compliance to the document No Γ/ΕΞ/4163-1/6.7.2012 and the decisions No 17/2002, 56/2003 & 40/2005 of the Hellenic Data Protection Authority.

**In the event that the above deadline expires, the results shall be finalised and the contracts shall be signed without any further procedure.**
